Safety Policy – Jumpstart Energy Services, LLC

General Policy:

It is Jumpstart's philosophy to place the safety of our employees and customers first. To accomplish this goal requires a 100% safety commitment from all employees.

In all work activities Jumpstart's pledge is to safely work in a way that protects the safety of our employees and customers, preserves the environment and conforms to all state and federal laws.

Objectives:

Jumpstart's objectives in instituting and fulfilling this policy are:

- Protective head and footwear are to be worn at all times during field operations.
- Each supervisor is expected to insure that employees reporting to them understand and conform to Jumpstart's Safety Policy.
- All employees will be held responsible for meeting the company's Safety Policy.

Responsibilities:

It is every Jumpstart employee's responsibility to work in a safe manner and to insure that our products are used safely.
